On reading through the Writ Petition it appears to me that the grievance voiced by the petitioner is essentially an apprehension that she will be dispossessed of her property other than through due process of law. I dispose of the Writ Petition relegating the petitioner to remedies before a competent civil court. It is also open to the petitioner to file appropriate representation before the Panchayat itself in which case the Panchayat will consider that representation and take a correct decision without undue delay.

(PIUS C.KURIAKOSE, JUDGE)
